**Our Reference:**      **AEC2018-VHM-001**

To Whom It May Concern,

Alliance Engineering Consultants Pty Ltd is a consultant to, and a client of, VHM Solutions since its inception. During that time we have had on going and direct professional relationship with the owner, Steve Veletta and his team. VHM Solutions has acquired Bondstrong Pty Ltd and retained key staff. AEC was previously a consultant to Bondstrong since 2004.

VHM Solutions conducts their business with a high degree of professionalism, honesty and integrity and we would recommend their expert services in the field of GRP, GDE and other composite products.

Should you require further information or you prefer to discuss this referral over the phone then please do not hesitate to contact the undersigned.

Regards,

Jeff Kazazi  
**Principal Structural Engineer**
